Council Issues, Strategic Priorities and Key Results

Oklahoma City - On August 21, 2007 the Oklahoma City Council met to identify the major issues facing the City over the next two to five years, and establish Strategic Priorities and Key Results that the City will target in order to successfully address the issues identified. The following documents the Council's decisions regarding issues, strategic priorities, and key results

Offer Expires: 12/31/07

**THOSE WHO CAN'T
TAKE DIRECTIONS
GRACIOUSLY HAVE NO
BUSINESS GIVING
THEM.**

If you are an irresponsible or argumentative worker who cannot accept instructions from others, you are destined to remain at the bottom of the workforce. Before you can ever hope to manage other people, you must learn to manage yourself and your relationships with others effectively, particularly with those in higher positions in the organization. Unless you can learn how to manage your relationship with your own boss or bosses, you will never be able to manage a relationship with your subordinates.
